Dear Mr. Terry:

The referenced Notice of Intention to Commence Small Mining Operations (NOI), supplemented with information received by the Division of Oil, Gas and Mining on June 18, 2013, is not yet complete. A discrepancy between the lessee of record with the School and Institutional Trust Lands Administration (SITLA) and the lessee listed on the NOI needs to be addressed and the proposed NOI modified accordingly. Contact SITLA for more information.

Prior to permit approval, the Division must also receive the following:

- 1) Cultural resources clearance from SITLA. Contact SITLA to determine whether cultural resource information will be needed, and
- 2) Reclamation surety. The Division will notify you of the required surety when a surety amount has been agreed to with SITLA.

Please contact Peter Brinton at 801-538-5258 or me at 801-538-5261 if you have any questions regarding this letter. In reply please refer to file number S/041/0040.

Sincerely,

Paul B. Baker  
Minerals Program Manager
